WELEDA

Traditional Herbal Medicinal Product

Calendula tincture

PATIENT INFORMATION

Read this leaflet carefully because it contains important information for you.

Keep this leaflet as you may need to read it again.

Ask your pharmacist or qualified healthcare practitioner if you need more information or advice.

You must contact a doctor or qualified healthcare practitioner if your symptoms worsen or do not improve after one week.

If any of the side-effects get serious, or if you notice any side-effect not listed in this leaflet, please tell your doctor or qualified healthcare practitioner.

In this leaflet:

1. What this product is and what it is used for
2. Before using this product
3. How to use this product
4. Possible side-effects
5. How to store this product
6. Further information

1. What this product is and what it is used for

Weleda Calendula Cuts & Grazes Skin Salve is a traditional herbal medicinal product used for the treatment of minor wounds, cuts and grazes. This is based on traditional use only.

2. Before using this product

Do not use Weleda Calendula Cuts & Grazes Skin Salve if you are allergic to any of the ingredients or to plants of the Asteraceae (Compositae) family (see Section 6), if you are pregnant/breastfeeding or under 6 years of age.

• Special warnings and precautions for use:

- ♦ avoid contact with the eyes and mucous membranes
- ♦ in some patients Weleda Calendula Cuts & Grazes Skin Salve may cause irritation to the skin when first applied. If you experience any redness, itching or dry skin discontinue use and consult your doctor or qualified healthcare practitioner.
- ♦ Weleda Calendula Cuts & Grazes Skin Salve is for external use only.
- ♦ contains Wool Fat (Lanolin) which may cause local skin reactions such as contact dermatitis
- ♦ if you notice any signs of skin infection you should consult your doctor or qualified healthcare practitioner.

3. How to use this product

Directions: Check that the tube seal is not broken before first use. Pierce the seal with point in end of cap. Weleda Calendula Cuts & Grazes Skin Salve is for application to the skin. Wash hands before and after use.

Adults the elderly and children over 6 years of age: Clean the affected area and apply directly or on a dry dressing two or three times daily.

Do not exceed the stated dose. If symptoms worsen or persist after one week consult a doctor or qualified healthcare practitioner.

4. Possible side-effects

Like all medicines Weleda Calendula Cuts & Grazes Skin Salve can cause side-effects although not everybody gets them. Weleda Calendula Cuts & Grazes Skin Salve can cause localised skin reactions such as skin sensitisation and a condition called contact dermatitis. If your skin feels itchy, you develop a patch of dry, red, inflamed skin or a rash you should stop using Weleda Calendula Cuts & Grazes Skin Salve and consult your doctor or qualified healthcare practitioner.

If you experience any unwanted effects consult your doctor or qualified healthcare practitioner.

You can help to make medicines safer by reporting any side-effects to the Yellow Card Scheme at www.mhra.gov.uk/yellowcard. Alternatively you can get a paper Yellow Card form from your GP's surgery or pharmacy, or call freephone 0808 100 3352 (available 10am-2pm Monday - Friday).

5. How to store this product

- keep out of the reach and sight of children
- do not store above 25°C
- do not use after the expiry date on the carton
- store in the original container
- return any unused medicine to your pharmacist for safe disposal
